

## Important Multifamily Program Updates

### **Permanent Supportive Housing (PSH) Application Forms Now Available**

Thank you to everyone who joined us at last week's technical assistance workshops for the **Permanent Supportive Housing (PSH) Development Program**. We appreciate your participation and interest. Please note that the PSH Request for Applications (RFA) has been recently updated (with a few minor changes to the Contents Page and layout) and should be used with your PSH application. In addition, the PSH Application Forms are now available. You may find the updated PSH RFA and PSH Application Forms on IHDA's website in the [Developer Resource Center](#).

Applications are accepted on-line through the Multifamily Portal at <https://mfportal.ihda.org>. Applications will not be accepted in paper form. Funding will be awarded to the highest scoring applications that have met all mandatory criteria. PSH applications may be submitted to IHDA until **October 18, 2019 at 5:00 p.m.** Please direct any questions to [PSHRFA@ihda.org](mailto:PSHRFA@ihda.org).
